[SunnysideRI requestFINALjointletter05JAN2015.pdf](#)

Dear San Juan County Commissioners - Today, EPA, BLM and CDPHE sent a letter to Sunnyside Gold Corporation in response to its proposed Game Plan. Attached is a courtesy copy of the letter. EPA, BLM and CDPHE expect to maintain the collaborative relationship with the County, ARSG and the community in addressing the water quality issues in the Animas River watershed. If you have any questions or would like to meet with agency representatives to discuss the letter, please feel free to give me a call. Thank you.

Paula Schmittdiel
